DESCRIPTION OF PRODUCT AND SERVICES

Professional Services

Consultation with a licensed funeral professional regarding funeral options and essential services relating to disposition; may include co-ordination of funeral details with clergy, musicians, crematorium and/or cemetery, assistance drafting notices and the general management of funeral services through disposition.

Legal Documentation

The completion and filing of necessary legal documents including (but not limited to) those required for the disposition of a deceased person including Statement of Death, Burial Permit, Coroner's Certificates, cremation application and notice to ISP (Income Security). This also includes the provision for up to 12 (or more) Proof of Death Certificates for the handling of estate matters, letters of attendance for bereavement leave and clergy /cemetery / crematorium records as required.

Transfer of the Deceased

Removal of the decedent from place of death (residence, nursing home or hospital) to our facility within a 75 km radius of the establishment. Additional rate of \$2.95/km may be charged for transfers in excess of 75 km (one way only).

Basic Preparation

Includes bathing, dressing and the setting of facial features without embalming. Also includes the supply of linens, gloves and protection for the transfer; disposal of medical waste and clothing; covering the deceased in a shroud or clothing as provided by the family and placing the deceased into a casket or container of choice.

Embalming

Embalming is not required by law, however in some instances it may be suggested or recommended to preserve the body between time of death and viewing of the deceased. When employed, it is a temporary disinfection, restoration and preservation of the deceased for visitation.

Facilities for Holding / Preparation

Includes the general use of the building facility for the purposes of funeral arrangements and the sheltering of the deceased in a secure and private area until final disposition can take place.

Staff for Ceremony

Includes Passages staff for up to three hours to set up and oversee services of remembrance, ceremony, celebration of life and/or interment at a cemetery.

Administrative Vehicle

The administrative vehicle is the utility vehicle used to register the death at City Hall and other administrative tasks required to fulfill disposition.

Cremation Container

A basic casket with a wooden base and cardboard covering.

Refundable Deposit, Cremated Remains

Professional regulations state the Provider may charge a \$350 deposit for the interment of unclaimed cremated remains after 1 year. Passages Eco Conscious Cremation and Burial Inc. does not charge this fee.

CREMATION SERVICES

DIRECT CREMATION

A simple, yet dignified cremation that includes all of the essentials: Professional services from Passages; legal documentation including 15 (or more) Proof of Death Certificates; local transfer of the deceased from the place of death; transfer to and from the crematorium, plus “next steps” guidance and assistance in the application of federal benefits.

PRIVATE VIEWING

In addition to all the elements of a Simple Cremation, a private viewing provides additional care for the deceased, in which they are bathed, dressed and placed into a casket or container of choice. Immediate family members are invited to a private gathering to pay final respects prior to cremation and may be followed by a public service remembrance and interment or scattering of cremated remains.

DISBURSEMENTS

Disbursements are third party fees that are paid out on your behalf to the government, cemetery, crematorium or other service provider. These fees are subject to change, taxes are included.

Coroner's Certificate

In Ontario, a Coroner's Certificate to cremate is required before cremation can take place. This fee is set by the Chief Coroner of Ontario and is paid directly to the approving medical professional.

Municipal Registration

The fee charged by the local municipality to register a death.

Cremation Fee

The fee charged by the crematorium for the process of cremation. Over 250lbs and family witnessing may incur additional costs.

Clergy / Church Fees

Generally considered an honorarium, these fees are set by the clergy for officiating at a Church, Cemetery, Funeral Home or other venue. In addition to the Clergy, additional fees may apply for the services of an Organist, Cantor, Custodian etc.

Cemetery Opening and Closing Fees

Paid directly to the cemetery at cost, fees are for the cemetery staff to prepare property for disposition.

Obituary Notices and Flower Arrangements

At cost.

PAYMENT, FINANCING & TRUST

Unless otherwise specified, payment for at need services and supplies is due within 30 days of the delivery or the provision of services and supplies. Payment may be made by cash, cheque, debit, and most major credit cards. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 1.5% per month, which is equivalent to 18% per annum (APR). If you are pre-paying for services or supplies, pre-authorized chequing is also available.

Pre-Payment Funding in Trust.

You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

More information available upon request.
